

Tune Protect Collaborates with iRiskcorp

Tune Protect partners with iRiskcorp in Qatar to service the Travel Community

UAE, Date 3rd Sep 2015– Tune Protect, regional online facilitator of travel insurance supported by its insurance partners, has recently signed a representation partnership with iRiskcorp, to strengthen its business in Qatar for travel insurance products.

Through the collaboration with iRiskcorp, Tune Protect will be driving range of travel insurance products facilitated by Tune Protect's local insurance partner in Qatar, Qatar Insurance Co. (QIC), for all international travel from Qatar.

"iRiskcorp's local expertise, paired with our capabilities as an online facilitator of travel insurance in the region, will open up new opportunities and benefits to travelers from Qatar," said Arijit Munshi, General Manager of Tune Protect.

iRiskcorp is a technology consultancy organization providing travel technology solutions to a wide spectrum of travel and non travel entities in Qatar. The company provides high-quality, cost-effective and reliable IT and Travel solutions to businesses and consumers alike.

iRiskcorp will be managing the sales and marketing of various travel insurance products facilitated by Tune Protect through its insurance partners, Qatar Insurance Co. (QIC), via online or digital channels.

"The information technology and travel ecosystem continues to develop in Qatar with more businesses and consumers interacting through the digital space. Our focus set in these two fields, the collaboration with Tune Protect gives us a strong support to innovate in the travel space, Travel with peace of mind," said Ajith G. Poduval, General Manager of iRiskcorp.

Part of Tune Ins Holdings Berhad in Malaysia, Tune Protect is a facilitator of online travel insurance on behalf of its insurance partners, where its product offers comprehensive travel related benefits such as personal accident, 24-hour emergency assistance, medical support, travel inconvenience, baggage delay or loss.
